***Jacoba's jottings....*** I am still at my Mother's home on this New Year's Eve. She is frying Oliebollen – a Dutch New Year's Eve tradition that is centuries old. It seems right to enjoy on New Year's Eve something that my Great, Great, Great, Great, (and add a few more) Great-Grandparents also made and enjoyed. It is fun to connect to our history with recipes, however there are likely other significant connections for us to bring to our remembrance. What are your memories?

Bob Petkovsek recently finished the task Doris Bakker and Pastor Jim Mohr have had on their minds for several years. Thanks to Doris, Pastor Mohr and Bob we now have displayed pictures of all the "Called" Pastors of UCC since 1959. The pictures are beautifully displayed between the Pastor's Office and Lounge. As members have seen the pictures, they have commented on how nice they look and recalling which Pastor baptized, confirmed, married, brought them into membership, or buried loved ones. Members have told stories that made them laugh and stories that caused them to reflect on the ministries and personalities of former pastors. I am often blessed to overhear members reminiscing with Audrey about years gone past.

As you remember and tell stories to the next generations – what do you share? Family history is a lens not only into the past; it can help us understand the present and can lead us into the future. The lives of

our ancestors have much to teach us. As we tell our stories, do we also include how our faith has supported us, guided us, encouraged us? Looking back over this last decade, I can name any number of places where God was working and the Holy Spirit was causing connections in my life. I invite you to do the same. It seems difficult to speak of our faith- it is much easier to talk about or write about job changes, family and friends who were born

or died, what the children and grandchildren are doing. Has your faith in God made a difference? How can we incorporate our faith journey into the telling of our family stories?

The new pictures hanging on the wall remind me of the history of this church and cause me to wonder what happened during each Pastor's tenure. What was the focus of the ministry during their years among us? What captivated the church? I hear about the building, dinners, mission, confirmation classes and youth events. As we tell those stories can we also say how faith, hope and love were expressed? With the pictures of the pastors now displayed, I wonder who were the lay leaders and what gave them joy as they offered their gifts toward the ministry. How does the ministry of the past impact our ministry today and where will it lead us in the future?

The Oliebollen continue to be a treat today, yet we are aware given our current lifestyle, they surely are not healthy for us. In the 1600's my hunch is that the extra fat was welcome in the cold and hard winters and worked off very quickly. As the times change, some of what worked years ago, no longer fits today. As we tell stories of the past, we might also consider how we can modify what once was so that that which was valuable continues. Going to Grandma's for the Sunday after church chicken dinner doesn't work for most families anymore. Yet – the faith, hope and love shared around that table still needs to be learned and lived. How can we do that? And in the changing life of the church, what still needs to be expressed, learned and experienced? Looking back- looking forward is a valuable exercise to do with our families and in the church as we strive to live faithfully today. How about that as a goal for our congregation this year?

**Jacoba's second page...** December is always a full month in the church. Traveling to be with family for both Thanksgiving and Christmas was made possible by Pastor Jim Mohr leading worship on December 1 and Julie Garber leading worship on December 29. Jenny Romens-Erickson and Bonnie Weyer helped with the service on the 29th as well. I thank all four of them.

### **Lighting the Advent Candles- families and friends this year...**

1st Sunday - Bryce Erickson & Paige Voigt

2nd Sunday - Nancy & Kirk Rodman

3rd Sunday - Barb Shoemaker, her Godchild, Nicky Keller & Nicky & Chris's son Jake

4th Sunday - Kellie Murphey, Neil, Karsen, & Krue Czarnecki

4:30 Christmas Eve - Kathy, Ben & Benjamin Mathis

7:30 Christmas Eve – Ellie Moseid and Luke Erickson

Thank you folks!

**The Sunday School Program “Star of Wonder”** was a delight. The children each did very well – they learned new songs and had lots of speaking

lines memorized. Jill Williams and Jenna Ziegler were the main directors – however they were also helped by the other teachers and parents and Dante

& Chad Erickson who built the manger.

To the lists of **thank yous** Audrey mentions, I want to add a few. William, Jenna and Reese offered lovely special music at the 4:30 Christmas Eve Service. Thank you Zieglers!

### **The Sanctuary was again beautifully decorated.**

Many thanks to those who helped with putting up the tree, decorating it, hanging the wreaths and wall hangings. Kirk and Nancy

Rodman took on the task of finding taller candles for the pew candle sticks. Unsuccessful, they talked with Bishop Kolano who made inserts for the candles so shorter candles could be used. Thank you Rodmans and Bishop. The Poinsettias this year were arranged by Nancy Boone and

Karlene Wallace using fabric donated by Corrine Armitage. Thank you Ladies!

### **HELP NEEDED THIS SUNDAY,**

January 5. The decorations and trees all need to be put away. If you can stay after the worship service to help – your help will be much appreciated.

**“THE GIVING MANGER.”** was given to each of the Sunday School families by the Board of Christian Education. The premise of the giving manger is that when someone does something kind, or

respectful, or caring for another, a stick of straw was to be added to the manger. By Christmas Eve the hope is that there is enough straw in the manger because of the kindnesses done for Baby Jesus to have a bed. At our Family Christmas Eve Service, connecting with the Giving Manger and doing things for others in Jesus' name, I invited our congregation to bring gifts for babies. It was a joy for the children to bring the items and to talk about their kindnesses as they filled the bigger manger with straw.

### **NEW MEMBERS TO BE RECEIVED**

#### **Renewing Our Baptismal Vows**

**January 12**

We will receive new members on January 12. If you would like to officially become a member, or are considering joining, please speak to me as soon as possible.

### **STAR WORDS**

#### **Epiphany – January 5**

On Epiphany we remember the Wisemen were led by a star to worship the new-born King. The Confirmation Class and Audrey helped me to create Star Words. They are a collection of some 300 words written on stars. I will invite the congregation to choose a star on Epiphany -one that will not only be a word to guide your journey in 2020 – but that may also help you in your journey to worship, serve and follow the Christ. Several of our members have shared a word they chose for themselves. They have chosen some great ones. If you already have your word, maybe consider one you randomly pick in worship as a secondary word for your journey.

## January Newsletter 2020

Hi Everyone, I hope you had a great Christmas! Even though it was a sad Christmas without our favorite brother-in-law we had a pretty nice Christmas. We are happy we have so many good memories of our loved ones that are no longer with us. First of all, I want to thank everyone who sent me Christmas cards and gave me gifts. Thank you for thinking of me. A Belated Merry Christmas and a Blessed and Happy New Year to all of my church family!

December is such a busy month in the life of our church. The Christmas Angel Tree Project went so smoothly again. Stacey and her crew are so well organized that everything was delivered to families in need by the end of Saturday, December 14. We thank all of our UCC people and volunteers that helped in any way with this project.

The Circle of Friends Christmas Party had to be postponed a week due to the bad weather on the 12th. So, it was held the following week. Pastor Jacoba and I want to thank the Circle for inviting us to their party and for the generous chamber gift certificates. The potluck lunch was really good too.

The Sunday School Christmas Program was held on Sunday, December 22. What a wonderful job they did!! Thank you to their teachers and helpers that put this program on. Good Job Kids!! Following the program, we were all invited to Jesus' Birthday Party where some birthday cake and lots of other good treats were served. Thank you to the Christian Education Board for sponsoring the party.

We had two really nice Christmas Eve services; the early Family service and the traditional Candlelight service. To get ready for these services the help of many are needed. Pastor Jacoba, Allan Hoesly, the Choir, Choir Director, Bonnie Weyer, Paul Vine, the Erickson family, the communion teams, the organists, pianist, Jim and myself. We thank all of them and anyone else I may have missed. The weather was good, so people were able to attend. Our church looked so

beautiful with all the candlelight and the pew candles. Always a good feeling when I leave the church on Christmas Eve. Again, thank you to everyone that helped with our Christmas Eve services.

It's Monday, December 30 and it's SNOWING, and we are trying to get this January Newsletter out to you. Pastor Jacoba is in Michigan with her family and hoping to get back by Wednesday. We will see if this happens.

Tuesday morning and 8 inches of snow later and we are back in the office. No New Year's plans. Just plan on a good night's sleep.

I hate to bring it up, but your annual reports are due in my office by Monday, January 6. All chairs of boards and committees we need your report for our Annual Report. Thanks.

*See you in church! Audrey*

**December Automatic Giving.....** \$2175.00

**Automatic Giving** – Are you interested in giving to your church by “Automatic Giving” in 2020? If you are, stop by the church office and we will help you with the forms that need to be filled out. Very easy to do. You decide how much you want to give monthly and about the 10<sup>th</sup> of every month that amount will be taken out of your account. Another option you can do to give to your church is to set the church up on your automatic bill pay through your bank. With the busy schedules that many of you have and if you are unable to make it to church Automatic Giving would be a way to keep up with your *faith promise* to your church. Please consider giving this way.

### **Trustees Report**

Trustees update with carpet installation:

The week of January 20 will begin the process of the carpet removal in the sanctuary, balcony and cry room. The old pews will be removed and stored in the Bazaar work room. The pulpit, piano, organ and everything within the sanctuary will be removed and stored. Allen Hoesly has measured and remeasured everything to make it all work. Paul Vine will be coordinating the removal of everything and has obtained some outside help, along with members of our church. Thank you Paul.

The week of January 27<sup>th</sup> the loop will be put in, then the new carpet. Our hopes is to have everything back in the sanctuary by Sunday, February 2 so we can resume church services. Otherwise, while the church is under construction services will be held in Fellowship Hall. Pastor Jacoba will announce more relating to the services.

Please be patient and understanding while we move forward with this project! It will be a wonderful, new, beautiful look for our church. Thank you to the Holiday Fair ladies for their most generous donation to have this new carpet installed. Also, to the Memorial Committee and the Bob Shaw Family for the installation of the new hearing loop.

### (Trustees Report continued)

I also want to thank the Trustees for moving forward with this big undertaking and for the committee of Betty Barr, Deb Perkl, Nicky Keller and myself for help in the selection of the carpet! It's going to be beautiful!

If anyone has any questions, please direct to one of the Trustees.

### ***"Soup"er Bowl Challenge***

I just heard from Calvary and they want another "Soup'er Bowl Challenge! Can we do it again? Are we up to it? We collected 526 cans of soup last year! Calvary collected 391 and Living Hope had 364. The challenge is on! They are all out

to surpass us. St. Mary's and Hillside are also joining in on the challenge. Start bringing in those cans of soup. Look for the table in the narthex to put the cans of soup on. We will collect through Sunday, February 3 "Super Bowl Sunday." The soup is divided up between the food pantries and aging office.

We *thank you!* If you know of anyone needing a visit from Pastor Jacoba, please call her or the church office and we will set up a time to visit. If you would like to help Pastor Jacoba serve communion to our shut-in's let her know. We can always use extra hands when we serve communion at our Assisted living facilities. ## **STEWARDSHIP COMMITTEE NEWS**

### **Christmas Fund**

The theme for this year’s Christmas Fund was “The Light Shines in the Darkness.” For over 100 years, the Christmas Fund for the Veterans of the Cross and the Emergency Fund has been a way to ensure that a light of love and hope will always shine for faithful servants of our church who find themselves facing unforeseen financial need. Funds gathered are used for monthly pension and health premium supplementations, Christmas “Thank You” gift checks, and emergency grants; grants such as needed for large medical expenses and home damage from natural disasters.

Offerings made to the 2019 Christmas Fund totaled \$560.00 as of December 31. The members of the Stewardship Committee express their appreciation to all those who contributed.

A special ‘thank you’ goes out to committee member Emilie Miller who provided a fine testimonial before the congregation on the Christmas Fund.

## **Special Offerings Report Soon Available.**

Stewardship Committee member Dave Harnisch is working on an overview and update for this year’s “5 for 5” offerings:

1. Our Church’s Wider Mission (OCWM)
2. One Great Hour of Sharing (OGHS)
3. Strengthen the Church (STC)
4. Neighbors in Need (NIN)
5. The Christmas Fund (TCF)

The upcoming report, “SPECIAL OFFERINGS: An Overview and Update,” may be obtained mid-January at the church office or requested through email.

## **Upcoming Educational Stewardship Webinar**

Stewardship Committee members are planning on signing up for an upcoming educational webinar on January 30, 2020. This webinar will introduce the concept of a 12-month stewardship plan. It will be focused on how to organize and lead an effective year-round practice of storytelling (or testimonials) related to generosity. According to the Wisconsin Conference, national research shows that teaching about stewardship at least once a month correlates to increases in congregational giving.

This webinar is taken from a series of educational webinars being offered in January and early February by the Wisconsin Conference, designed and developed by Rev. Andrew Warner.

## **Change in Stewardship Membership**

The church’s Nomination Committee announced at the Church Council meeting held in December that current Stewardship Committee member Sue Voigt will be leaving the committee following completion of her term. Kelly Burch has been nominated to fill the vacancy created by Sue’s departure from the committee.

When you see Sue, thank her for the wonderful contributions she has made to the “5 for 5” offerings and other projects undertaken by the committee. Her fellow committee members will truly miss Sue’s contributions of time, talent, and treasures. Also, please welcome Kelly Burch to
